

CERTIFICATE OF AUTHORIZATION

This is to certify that, pursuant to the Distribution Agreement entered into between CFF Keva Italy S.p.A. ("CFF") and Madex Ltd. ("MADEX") on June 22nd, 2026 (the "Agreement"), CFF has appointed MADEX as its authorized distributor for the marketing, distribution and resale of CFF's fine fragrance products (the "Products") within the Republic of Türkiye (the "Territory"). During the term of the Agreement, CFF has undertaken not to appoint any other distributor for the same product line in the Territory, save for certain strategic accounts with which CFF has reserved the right to deal directly, in accordance with the terms of the Agreement. With specific regard to paper scenting agents, MADEX holds exclusive distribution rights within the Territory for the duration of the Agreement. This certificate is issued at the request of MADEX for official purposes and reflects the distribution relationship currently in force between the Parties as of the date of issuance. It shall remain valid for the duration of the Agreement, currently in effect until March 31, 2027, subject to any renewal thereof, and does not modify, supersede, or expand the rights and obligations set forth in the Agreement, which shall prevail in the event of any inconsistency.
